

NOTICE—PROPOSED RESIDENTS TRANSPORT ASSOCIATION (RTA) (DISTRICT NO 1—PATNA/RIVER ESTATE/BLUE BASIN—2017/Oct./1)

I, **Donald Donat Berment**, situate at No 45 River Estate Circular Road, Diego Martin, acting as the **Interim Secretary** to/for the proposal of a Resident's Transport Association, in the areas of **Patna, River Estate and Blue Basin**, a **Pilot Project**, which may have national implementation, once successful, **state as follows**, to all concerned with travel/transportation, in **District No 1**.

Guided by the long established, "Car Pooling Model", I will be formulating a **Simple Private Contract Travel Arrangement**, in District No 1, Patna/River Estate/Blue Basin. This plan has already been introduced to the Patna/River Estate Community Council, the Diego Martin Regional Corporation at their last Statutory Meeting and the West End Police Station Community Council. Formal Notices will be sent to all and sundry, when we are all on board and operational.

This will be a **CONTRACT** between **RESIDENTS with cars**, both self driven or using acceptable drivers and the **RESIDENTS, without cars**, travelling daily, from homes to the drop off point at the **Diego Martin Regional Corporation Turning Point Mall**.

We intend to get car stickers, police certificates of good character, body badges and/or shirts, tops with logos, up to date driver's licences, and insurance, in addition to approval letters from owners who allow use of their cars.

There will a Constitution/Bye Laws, Office with staff and equipment, a Management Team, a Code of Conduct and a contribution from the persons travelling, to pay for vehicle maintenance and fuel, drivers time on the road and a 25 cents donation, per person per trip, to the Association to manage its affairs and assist with urgent community concerns.

The Diego Martin Regional Corporation Turning Point Mall is our targeted location for parking and Office and the cost for use details will be negotiated.

This **Private Simple Contract**, in my humble view, will satisfy all who have an input in transportation matters.

At present there is **no taxi or Bus service** operating in this thriving and growing community. No means to guarantee **safety** of the travelers. No daily dependable **service and no sustainable development plan for the community**.

West End Police Station and others will be formally advised in due course.

Service, Safety and Sustainability will be our MOTTO, GOALS, MISSION and VISION.

My home at 45 River Estate Circular Road is the **Interim Address** for this planned Residents Transport association (RTA). Phone 637-0924, cell/WattsApp 383-6184.
